Erika Jansson, Swedish dressage rider & trainer is best known for her ability to accomplish fast results with no pressure for the horse or the rider.

With Erika's 30 plus years of exceptional education & career accomplishments from her native Sweden as well as Germany, New Zealand, & California, students benefit from the wealth of hands-on equine experience and **Erika's gift of teaching.**

Erika has deep passion for creating a respectful and eager communication between the horse and rider. She supplies her students (two & four legged) with volumes of empathy and encouragement.

**When the missing piece of the puzzle falls into place, it is pure magic every single time.**

Erika's experience includes placing at the top of her class at Swedish Flying National Stud, the minutely controlled environment of the Hanoverian Auction house, and gaining the trust of the wild mustangs in California.

From raw beginners to Grand Prix riders all levels are welcome. The only requirement is that the students bring to the table a positive attitude, the desire to deepen their connection with the horse, and willingness to examine every ride.
